IS IT GOOD FORM TO WEAR CURLED-UP SHOES?

If you wish to be correctly dressed you should consider this question carefully. To be correctly dressed is a worthy ambition, but it is not enough to wear signish shoes. They must be kept in the shape in which they come from the hands of the manufacturer or their shape-lines and style are lost.

Shee Trees Remedy This Evil

If you have set a pair of these asice for a time, and then worn them, you will no doubt remember the sharpe edges of leather, quite hard and like a knife which encountered your foot when you put it in the shoe; also, the depressed too cap, which having hardened in that position, threatened to cut off your toe every time you took a

Use Shoe Trees

In order to keep the shoes in their original shape and condition, all good dressers now use abor trees. They are simple-a child can adjust them instantly. They cost but little. They are light,

85c Pair

For men and women the price is just the same we can furnish all the sizes and widths to fit any shoe.
